

The goal of the SADC's Youth Strategy Program is to slow the urban drift of today's young people. Objectives of the Youth Strategy Program are:

- Encourage the acquisition, start-up, expansion or modernization of youth-operated businesses;
- Promote job readiness for young people and enrich their social, cultural and economic commitment to the community.

Financial assistance

- Personal loan from \$5 000 to \$15 000
- Repayable within a maximum of 5 years
- No interest for 24 months
- Unsecured loans
- Management fees of 1% of the loan
- Interest rate based on financial risk
- No fees for advance payment.

Here's our strategy:

Your project + loan + repayment flexibility + personalized support =
engaged youth in our community

Eligibility

- Have its headquarters, its main activities and related jobs in the territory of the MRC of Coaticook
- Aged 18 to 35 years
- The young entrepreneur has to be the majority owner of the company
- Two young people can be granted a loan for the same project

Personalized follow-up of the business development

A personalized support service and rigorous follow-up will be given during the loan period.

A complete record usually receives
a response within three weeks
